

CHILD CARE CHOICES

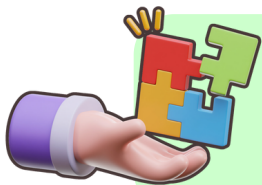

Partners in Child Care

Child care changes lives and you can be part of the change!
Use this tool to help families find child care.

ASK

Talk with parents about child care opportunities and ask if enrolling their child in an early education program can be helpful.

SHARE

Provide the families “4 Keys to Find Child Care” and explore which child care resource may work best for them.

HELP

Support parents by making the first call to one of the child care resources. Walking them through one of the websites may also be helpful.

PRINT

Child care programs need various documents to enroll children. Assist the family by printing verification letters, support letters, health records, etc.

TIPS

Families may have questions about child care. “5 Tips to Choosing Child Care” can help them address some of their questions.
